Nice day on the course. I wanted the boys to shoot a good score today. Great to see Ben Renaud shot a two over 35. Good solid round for not hitting many greens. Jake had a double but still shot 36. Zac had a rough hole 7 but the rest were good. Finished with par. Great to see Nate G had a 39 today. Nice round and he wasn't feeling well going into the match. Should build his confidence. Kyle and Matt has some struggles today. Matt got on a double bogie streak but then finished with par. Kyle had a good round into 7 and took an 8. Other wise was a pretty good round.

Great to see out JV pick up another win and great score of 168. Colton Mudd with a 35. Another great round. Good to see Mason G have a 41 today. 7 over. Both would have placed in varsity. Dawson, Braden, and Nick had a good solid score but I know they can do better.
