Comments from Head Coach Ed DenBeste: Beautiful day to play golf. Nice and sunny with a slight 7 to 10 mph wind. However, we are playing a course that only two of my boys had ever seen. The scores showed it. It is also a much longer course then we normally play especially for our JV. We needed one more low score today. Jake was a little higher than I hoped as Ben Renaud. Both can shoot better. Kyle had one bad first hole and finished fine. Ben had a tough start well and didn't finish well. Matt G was a little high as well. Great to see Nate G come in with a good score of 43.

JV had their struggles as well. We have some work to do this week. Good to see Colton continue to play pretty well. Braden B had a good score also. Need to get the others down into the 40s.

Next meet is in Red Oak.
