It was a wet muddy day today. Had to play pick, clean, and place. Jake and Kyle played well. Good to see Kyle have a good score in Red Oak on his last duel/triangular meet. Zac had a great round going into 15 and took a 9. Finished with a 41. Good score but could have been better. Same happened to Matt G. Good score of 43 but took an 8 on 13. Ben struggled today. Good to see Nate have a good score of 45.

Great to see Dawson have a great score of 42 today. Mason and Colton played well also. Braden had one bad two bad holes. Parker had a 54 to finish off the scores today.
