Our food is **HOMEMADE**. PLEASE ALLOW TIME TO BE PREPARED

We are not a fast food establishment

All 3 sausages are made in house. Beef is cooked in a cast iron skillet for Taco meat.

We clean our chicken breasts, Season and bake it and chop it up.

We slice our PROVOLONE Cheese. We do not use any Mozzarella. Ranch Dressing is HOMEMADE.

We clean real heads of iceberg lettuce and chop it so you do not have to cut it up yourself.

We make our own pizza sauce. Our ground beef is fresh. We chop our vegetables that can be chopped.

We make our PIZZA DOUGH. It is not fresh made daily as you see other places say they do.

Ours needs to be made at least 24 hours before using and gets better with age.
